RE: GANEDA INDIGENOUS PROTECTED AREA DRAFT MANAGEMENT PLAN FOR REVIEW

ATTN: Provincial, federal and local governments, stakeholders, tenure and license holders who may be affected by the proposed Ganeda Indigenous Protected Area

To Whom It May Concern:

In November 2024, we wrote to representatives of the provincial government to share Gitanyow's intent to establish the Ganeda Indigenous Protected Area and committed to sharing a Draft Management Plan for a two-month review period.

Please see attached a digital copy of the Ganeda Indigenous Protected Area Draft Management Plan.

Wilp Watakhayetsxw and Gamlakyeltxw are engaging with interested parties and governments for the next two months on this Draft Management Plan.

We invite comments or questions submitted via email to Tara Marsden/Naxginkw at Tara.Marsden@gitanyowchiefs.com . If you would like to arrange a meeting to discuss and review the plan with Gitanyow staff responsible for its drafting and implementation, you may contact the same email to arrange a time.

Please provide any feedback, questions, or concerns regarding the Draft Management Plan no later than December 12, 2025. Should you require additional time to respond, please contact the above to request this.

Sincerely,

Simoogit Watakhayetsxw/Deborah Good
